

## DRIVER'S SCHOOL

There will be a Driver's school on June 13, at TH-3. Cost should be about \$10 (\$7 for members). What's needed are workers and instructors. Come to next general membership meeting and find out more.

## SOLO I

Solo I should be coming back this summer (maybe in July) as soon as the track management caves in to the drag boys and repaves the return road.

## LIVE BY THE RULES

Yes, now you can live by the 1982 rules for Solo events. Orders are now being taken for this mighty tome. Come to the next G.M. meeting for more info.

## G.M. MEETINGS

As a reminder, general membership meetings are held on the second thursday of the month (except when noted in the monthly newsletter) at the Waikiki Yacht Club, 7:30 pm. Please sign the guest book as being the guest of Gil Budar (not SCCA).

## THANKS

Thanks go out this month to Bob Laird for securing Solo I and Safety Steward licenses (which will be needed for the '83 Solo II season).

Thanks also to Stephan and Baudine Ma, Bruce Adams, Ed Kemper and his wife, Perry Tong, and cute chick Linda Shaw (from the Triumph club) who, together with Bob Vincent, were able to raise \$175 at the March swap meet. Quote Bob, "let's do it again soon".

## OFFICIAL

The following persons have been licensed by National as Solo I Flat Track Safety Stewards for 1982:

Bruce Adams  
Ed Bell  
Peter Chung  
Stephan Ma  
Pat Sims  
Jaije Wong

These licenses are good for 1982 and to be renewed evidence must be shown of working in such a position at races. Solo II events will require a Solo Safety Steward in '83.

Brian McCanon has been issued a National Scrutineer's license for '82. Bruce Adams has also been issued a National Field Staff Solo I & II Solo Safety Steward Seminar Instructor's license. Which brings us to our next topic...

## HELP

Any persons having slides of any of our races and dont mind loaning them out for a while are asked to contact Bruce Adams as he needs them for a safety steward seminar. Also, Bruce asks that anyone with Brian McCanon's address in Europe please let him know as he has Brian's Scrutineer's license.
