KEEP THE RACING ON THE TRACK

Many comments were received after April's event to the effect that several racers were driving through the pits at excessive speed. We would like to take this opportunity to remind everyone that the speedlimit in the pits is 5 MPH and that drivers can be disqualified for speeding in the pits.

CHIEF SCRUTINEER

Many thanks to DEXTER LUM for volunteering to head up this critical committee. He is in charge of Technical Inspections at all of our events now and could probably use a bit of help. Any one interested in learning and performing Tech Inspection contact him at the track.

SCCA HOTLINE

We have obtained an answering service for the club officers hoping to make it easier for the membership as well as the general public to communicate ideas and questions to them. We also hope to be able to have race results and other announcements on the service after each event. It will be listed under both SCCA and SPORTS CAR CLUB OF AMERICA in the next directory. Please feel free to call. The number is 948-CLUB (2582).
