SCCA HAWAII REGION NEWSLETTER

April 1993

From the RE's Desk

How long will the Solo program be able to continue at Barbers Point? I have been ask this question many times in recent weeks, and unfortunately I do not have a definite answer. The best information I have is that we will not be moving in the near future. We may never again have a facility like Barbers Point that offers so many possibilities for exciting Solo competition, so

I would encourage everyone to take advantage of the opportunity in 1993. April is the start of our new season. Let's make this our best Solo year ever. See you on Sunday.
