

Runoffs

The Championship Runoffs for the 93-94 Solo II season will be held immediately after the April event. A list of drivers eligible to compete was published in the March newsletter, and the entry fee will be \$20. Because of the runoffs, the April event will be a non-points event.

Solo I

We are planning to reactivate our Solo I program this summer if we have enough drivers. A meeting will be held in May for all potential drivers, and our first event will be scheduled for August. Please contact Lindsey Akamu or M.G. Lewis as soon as possible if you wish to participate.

March Race Results
