SCCA HAWAII REGION NEWSLETTER

April 1995

From the RE's Desk

It sure is great to be back home in Hawaii, but it's also been very busy. In the three weeks that I've been back we have had a Solo II, the Solo Runoffs, a Solo I, a Drivers School, and a Regional Race. Isn't it fun to be part of such an active region? I'm having trouble just finding the time to write a short report.

This year's SCCA National Convention had to be one of the best ever. The warm hospitality shown by the Milwaukee Region created the perfect atmosphere to see old friends, make new ones, and to learn about all of the exciting new things happening in our club. Even the weather cooperated. Can you believe daytime highs near 50?

I'm off to the mainland on business again, but I should be back for the May Solo II. First stop, however, will be the Long Beach Grand Prix where I will be joined by Jeri Proctor, Greg Peters, Warren Ishii, Lindsey Akamu, Ed Hollmann, and Art Sonen. This is always one of the high points of the year for our Hawaii crew, and this year should be even better. Thanks to Jeri, we'll all be staying on the Queen Mary. What a way to work a race!

Hawaii Region Wins the Regional Achievement Award

M.G. Lewis is named SCCA Steward of the Year

Hawaii Region was well represented when the national awards were passed out at this year's convention. For the second year in a row, our program has received national recognition. The Regional Achievement Award is given for excellence in a region's overall program, and Hawaii was recognized as the best region of its size in the country.

For his contributions to club racing, both here and on the mainland, M.G. Lewis was named the SCCA Steward of the Year. This is the highest honor that can be awarded a younger steward.

Welcome to Racing in Hawaii

A special welcome to Fiel Jarlego, Chuck Garner, Ed Miner, George Brown, and Shigeomi Hirabayashi who are new members and participants in the April 1st Drivers School. We're all looking forward to seeing you at the next event.
