Competition Format: SCCA rules and regulations. Each participant has four (4) timed runs through the course. Events will be grouped into heats if there is a lack of participants. Best times for each driver are compared to participants from their event. Each car must be inspected on the day of the event for the following: wheel, brake operation, steering effectiveness, seat belt installation and operation, battery installation, throttle return spring, and general safety of the vehicle. Drivers must wear close-toed shoes. Helmets will be provided. **WALK UP ENTRIES WILL NOT RECEIVE A T-SHIRT. NO EXCEPTIONS.** We reserve the right to cancel, combine or change a division or class where feasible or necessary.
