

BEST NOVICE

Congratulations to July's BEST NOVICE D STOCK HONDA CRX driver JASON RODRIGUES and welcome to SCCA SOLO II racing to him as well as HERMAN KAMA, DARIN MAR, JIM DUMALO and SKIP MAULIOLA.

HELPING HANDS

A great big THANK YOU to RON BAUER for repairing our timing equipment.

Many thanks also to the members of our new Protest Committee. They are: Chairman, LARRY ANDERSON and Members, ED KEMPER and JOHN SHRUM.

HELP WANTED

The workday scheduled for 8 September includes an afternoon of tracktime for all the workers that show-up by 8:00. A track and the timer will be setup after the work is done and every one will have an opportunity to run 'til their tires melt or the sun sets, which ever happens first. Contact ROGER AU to make arrangements for entry to the base.

WORKING FOR YOU

Due to numerous comments about the running order at our events, it was decided by the Executive Board to tighten up enforcement of the rules that govern running order as follows:

Once a heat is staged ALL CARS will be required to run in the same order throughout the heat.

All drivers will be required to run in their scheduled heat. A 2 second penalty will be added to their run times for running after the scheduled heat unless there are multiple drivers using the same car. Running in earlier heats may be allowed with out penalty under extenuating circumstances.

EDITORS NOTES

Don't be alarmed if you did not receive a pass with your HUILA. Your name will be on the base access list for the event. Be sure to bring a picture ID.

Please note that this issue of HUILA contains information on various contingency prizes offered for SOLO II events as described in the article.
