SCCA HAWAII REGION NEWSLETTER

August 1996

From the RE's Desk

The wheel to wheel racing and Solo I racing on Sunday, August 25, was a great success. We had twenty cars participating in the competition racing and six cars in Solo I. Many thanks to the drivers for keeping the event accident free and to the workers in Race Control, Flagging & Communications, Emergency, Timing & Scoring, and Pits for making it a fantastic day of racing.

We are scheduling a Solo II drivers school for all members of SCCA on November 24. There will be a

small charge to cover insurance costs and we need your participation to conduct it. Instructors will be on hand and various fundamental will be covered, including a track run at the end of the day.

If there is anything you would like to discuss with me, please give me a call.
