

RAIN OUT

In case you hadn't noted, the November Solo II and Championship Run-off was cancelled due to inclement weather. The event has been rescheduled for December 19th, barring any unforeseen difficulties. Fore-noted is fore-warned, or something like that.

HELP WANTED
-URGENT-

Due to new rules handed down from National there is a requirement for Solo Safety Stewards at all Solo I & II events in 1983. The trouble is that we only have two licensed Stewards and we need more. Bruce Adams will be holding a Solo Safety Steward Seminar in December and he urges all interested persons to contact him right away. Phone Bruce at 948-8038 as soon as is possible. C'mon folks. It will only take a half hour of your time and will go a long way towards the club staying out of trouble with National.

SOLO I

It was decided at the last Board of Directors meeting and voted on at the November G.M. meeting that in the future Solo I would pay its own way. That means that entries can expect about a \$50 fee. To help hold costs down, though, there will be held in conjunction with the Solo I, a SCCA Solo II driver's school (entry fee about \$10). All of this is pending on the status of Hawaii Raceway Park (whether it remains open or closes in 1983) so nothing is certain for now.
