

FROM THE RE'S DESK

My first year as your Regional Executive is coming to a close and I'd like to take this opportunity to thank all of the members who have given so much of their time and energy to help me make our club a success. Because of all of your help we end the year with a growing membership, a smooth running Solo program and a healthy treasury.

Little did I know, when I was elected, that we would start the year by losing the use of our track because of a war. In this, as in every other crisis I have faced as RE, members have stepped forward to help out. It seems so long ago yet I haven't forgotten all of the helping hands. THANKS again, I couldn't have done it without your support.

I have enjoyed serving as your RE during 1991 and I hope you will allow me to continue through the coming year. Our wheel to wheel racing program is at a critical point and it is very important to maintain continuity in order that we achieve our goal as soon as possible. If I am able to remain as RE, I guaranty that we will be racing in 1992.
