Racing Update

Our next wheel to wheel race is scheduled for December 19 at Hawaii Raceway Park. This event is very important to the club as we will have the Executive Steward of the division, **Jim McCashin**, in attendance. This is our opportunity to show the national office how well we can operate a race in Hawaii, and we must do our best. I know it is the holiday season, but we really need your help to make this event a success.

Please call **M.G. Lewis**, 672-8255, if you can help. It is very important, and we need everyone's support.

Elections

It is that time of the year again. We will be electing the club's officers for 1994 soon. If you are interested in serving or would like to nominate someone, please call Larry Anderson, 521-9077

Welcome Novices

The SCCA Hawaii Region would like to welcome October's novices **Cris Caughill**, **Ken Matsumoto**, **Harry McMeen Jr.**, **Keith Nakasato**, **Takeshi Shibata**, and **Bo Hyun Song** to SCCA Solo II racing. And welcome November's novices **Noel Delacruz**, **Bob Freitas**, **Kevin McMeen**, **Mika Natori**, **Anthony Nole**, and **Mike Plumer** to SCCA Solo II racing.

For October's Solo, congratulations to **Ken Matsumoto** for being the fastest novice with his Nissan 300ZX in A Street Prepared. And congratulations to **Keith Nakasato** for being the fastest novice in his class, placing 2nd in H Stock with his Honda Civic.

For November's Solo, congratulations to **Anthony Nole** for being the fastest novice and capturing 1st place with his Nissan 300ZX in A Stock.

Solo Driver's School

On November 21st the SCCA conducted a Solo Driver's School with the BMW Club. The event was a tremendous success, and the twenty students received excellent instruction from the best staff we have ever assembled. This was definitely one of our best schools ever. The BMW club deserves a lot of credit for proposing this event, and it is proof that working together benefits everyone. Schools like this are important and our region should do them on a regular basis. I would like to say a special thanks to my fellow instructors **Owen Farrior**, **Ken Northrup**, **Curtis Lee**, **Larry Anderson**, **Lindsey Akamu**, **Gary Tamura**, **Paul Schwartz**, and **Kirk Horita**. And also, a thank you to **Pete Papas**, **Pete Fagan**, and **Ed Hollmann**.
