SCCA HAWAII REGION NEWSLETTER

December 1995

From the RE's Desk

I will not be serving as your Regional Executive in 1996. My work requires that I spend extended periods of time on the mainland, and this has made it impossible for me to deal with the day to day business of our region. I have also been appointed Deputy Executive Steward for our area, and as such cannot be the Regional Executive. I know our club can only benefit from the enthusiasm and fresh ideas of new leadership, and I look forward to working with the new RE to bring about a smooth transition. My duties as Deputy Executive

Steward, Chief Steward, and an occasional chance to drive, will ensure that I remain active in the club. It has been an honor and a pleasure to lead our region, and I want to take this opportunity to thank all of you that have helped to make our region a success.

M.G. Lewis
Regional Executive
Hawaii Region, SCCA

Elections

It's that time of year again! We need candidates to serve on the Board of Directors for 1996. All our club officers are selected from those elected to the Board. Here's your chance to work with some great people and make a real contribution to our club. Remember, the desire to contribute is the most important qualification.

If you are willing run or would like to nominate someone, please contact M.G. Lewis, 672-8255, or Ed Kemper, 525-0330. Nominations will be accepted through 20 December 1995.

Ballots will be mailed with the January newsletter. Our club will only grow and prosper if good people are willing to get involved.

Solo I

The first Solo I of the 1996 season will be held on January 20 at Hawaii Raceway Park. To participate your car must have a roll bar, competition seat belts, a fire extinguisher, and pass the Solo I tech

inspection. Drivers must wear an SA rated helmet and an approved competition fire suit including socks and gloves. For more information, contact Lindsey Akamu, 595-3595.

Competition Drivers School

On 20 January 1996 we will be conducting a competition drivers school at Hawaii Raceway Park. This school is mandatory for anyone who wants to run in our wheel to wheel racing program. All cars must be fully race prepared as defined in the SCCA General Competition Rules. Drivers must be SCCA members, have all required personal safety gear,

and have a current SCCA physical examination.

This school requires some advance planning and preparation on the part of the student, so do not put it off. Inspection of the cars and personal gear, and issuance of a Novice Logbook will all be completed prior to the day of the school. Contact M.G. Lewis, 672-8255, for more information.
