

From the R.E.'s Desk

It has been a while since I've had to make any type of announcement, for that I can thank all the people that have been assisting me in making the races a success this year. We are struggling with decreasing participation and I would like all of you to encourage anyone and everyone to check us out.

We have formed a committee to organize the Hawaiian Regional Races at Hawaii raceway park. Bill Clutter, Steven Hirasuna, Chuck Garner and Art Sonen will be in charge of coordinating the wheel to wheel races and SOLO I races for 1998.

Check out our schedule for wheel to wheel races and SOLO II races for 1998. Plan your activities around our events so you don't miss any.
