The Run ff will consist of three runs in the fifth or sixth heats(see the Heat Schedule for classes) of the 17 March event with the fastest single run being scored against the rest of the class times. There will be an additional \$20.00 fee for the competitors and they will be required to work the course during the heat that they don't run in.

We anticipate about 110 cars running 410 laps so we'll need everyone's cooperation to pull this one off. You can help very much by:

- 1 Pre-registering for work with LARRY ANDERSON; Call him at 521-9077 or 261-5157 the week before the race and see him as soon as you get to the track.
- 2 Coming early; The first heat is scheduled to start an hour early, at 10:00 AM as opposed to our regular start time of 11:00 AM and once it starts no one will be admitted to the track until the heat is over.
- 3 Listening for and paying attention to the announcements; Be on time for drivers' meetings and trophy presentations and report to the timing table before the end of the heat preceding the one you'll be working.
