Solo II Talk

By: Jennifer Lee

Well, the flu bug got the best of me last weekend causing me to miss January's autocross. :(Therefore this article will be based on "reliable sources". According to my "sources" Sunday was bright and sunny with light tradewinds. The track flowed very well with a crossover in the middle which contributed to a lot of speed. With this speed, making the correct braking and turning points proved to be tricky.

January's featured club was the **Porsche Club**. The Porsche contingent consisted of **Sean Cripps, Mike Cripps, Kevin Ham, John Mayers, and Ed Kemper**. Ed continued his quest to drive the marquee of the month by borrowing John Mayers' Porsche. So we'll see if Ed can score a Ferrari ride next month.

We would like to welcome novices **Sean Cripps, Mike Cripps, David Heard, Ronald Retuta, Gary Duarte, and Les Vallarano** to the races. Taking fastest time of the day was **Paul Schwartz** in his Le Grand with a time of 55.510.

Les Vallarano brought out his 1984 March Indy Car. Negotiating the track with such a long wheelbase car proved to be quite a challenge. He was not able to finish his 4th run due to car trouble.

February's event will be the last chance for you racers to get in your minimum 6 events to qualify for the March runoffs. So get out there and race, race, race !!! The **Ferrari Club** will be the featured club in February. All Ferrari Club members receive a discounted entry fee. Please contact Lindsey Akamu at 595-3595 or Ed Kemper at 524-0330 if you have any questions. You can also check us out on the web at: <<http://hawaiiis.com/scca>>.

I would like to thank **Lauren and Dane** for assisting at the registration table during my absence. Thanks guys! As for next month, I'll definitely be out there to make up for missing January's race. See you at the races !!!

Solo II Current Point Standings & Run-offs eligibility. (Minimum 6 events Required)
