The Championship Series started in April of 1983, and it will end in February of 1984. Points are awarded on the basis of 10 points for first, nine points for second, etc. At the end of the series if a driver has competed 7 times in the same class and he places in the top 5 in the points standing he is eligible for the run off in the VW Championship Series. The top 5 drivers of each class will then compete for the Championship prizes.
