

## WHAT'S HAPPENING

### TV Coverage of January Event

Your TV "volunteers" shot the Solo II in January. Roughly fifty minutes of video tape was taken. Now, the tape will be edited down to thirty minutes and will probably be shown on Oceanic Cable (Channel 20) in April or May. The showing schedule will be published later.

The show will have some interviews of drivers, showing of the cars in action, a description of the classes by cars, a run through the course, and some helpful hints on driving.

### February Last Championship SOLO II

February is your last chance to qualify for the March championship run off. To qualify, you must have driven six of ten events in the same class.

### SOLO I: Double Your Pleasure

The next Solo I will be on President's Day, February 18. Why? So, SCCA can rent the entire parking lot of the Stadium. So what? So, SCCA can set up the course on both sides of the canal and run the cars across the bridges over the canal, and allow passing.

Interested? Sign up before the Solo II event, February 10. If we don't get seventeen drivers by February 12, no event. Pre-tech as usual.
