SCCA HAWAII REGION NEWSLETTER

January 1993

From the RE's Desk

We will not be running a normal Solo II schedule for the first six (6) months of 1993. The U.S. Army is using our area during January and February leaving us no choice on our race dates.

Valentine's Day (February 14), Easter (April 11), and Mother's Day (May 9) all fall on the second Sunday of the month this year.

I know it is hard, but we have no choice but to

be flexible. Please remember to check your Solo II schedule each month as we will **not** be running on the second Sundays until the June event.

We will be starting the new year with some exciting new ideas at the January event, so don't miss out. See you there.

Wheel to Wheel Race Meeting

On Monday, January 25, at 7 p.m., there will be a special meeting held at the Auto Saloon of the Nimitz Business Center, 1130 N. Nimitz Highway.

This meeting is for everyone involved in our wheel to wheel racing program. All drivers and workers should try to attend as we will discuss in detail the 1993 program.

We will also be making assignments for the upcoming drivers school and race. This is your

Racing Update

Our next wheel to wheel race event will be on January 30th and 31st at Hawaii Raceway Park. We will have a driver's school on Saturday, January 30, and the race on Sunday, January 31.

As usual we will need people to help us staff the track. Please call M.G. Lewis (672-8255) if you are available on one or both days.

It should be an exciting weekend of racing as we already have over twenty (20) drivers signed up for the race.

Fun Run Bracket Racing

When the regular Solo II is completed, we will have a fun run bracket racing, time permitting. It is open to all cars in all categories and classes that have participated in the Solo II that day.

The object: Try to obtain a time that is as close to your best Solo II time without going over in a SINGLE RUN. Yes, one run, and cones will count. Eligible times may be less than or equal to **but not greater than** your best Solo II time.

So, what do you get for your troubles? One half (50%) of the collected entry fees for bracket racing. In the event of a tie or ties, it will be split evenly among the winners.

More details will be announced at the Solo II.
