SCCA HAWAII REGION NEWSLETTER

January 1996

From the RE's Desk

1996 should be a great year for our region. Our new season is off to a strong start with a Solo II, a Solo I, a Solo school, a competition Driver's School and a Regional Race, all scheduled for January. This is also the month that we elect the new club officers. Your ballot is included in the newsletter. Please vote!

Next month this column will become the responsibility of your newly elected Regional Executive. I have found it a pleasure to write and will miss the opportunity to communicate with our members. I hope to continue to contribute an occasional article to the newsletter as time allows, but don't expect to

hear from me every month.

Although no longer RE, I will remain active in our club as I have been appointed Deputy Executive Steward and I will continue to serve as your Chief Steward. It has been an honor and a privilege to be your Regional Executive and I know you will give my successor all of the help and cooperation you have given me. See you at the races!

Racing Update

The first wheel to wheel event for 1996 is scheduled for January 20 & 21 at Hawaii Raceway Park. We will be having a Driver's School on Saturday, and a Regional Race on Sunday. The racing should be exciting as several new drivers will be joining the program. The action starts about 8:00 a.m. both days,

and all of our members should consider joining us. Remember, this is a **nonspectator** event and you will be asked to help. Contact M.G. Lewis, 672-8255, if you plan to attend.

All new drivers who plan to attend the school should make arrangements **well in advance of the event.**
