# Who Da Guy?

That's right, it's our old buddy Bill Gibson-A long-time SCCA Hawaii Region member and Club Racer. Several years ago he and his wife Angie relocated to Arizona. They were in town recently, and stopped by my shop. They said that their move has been a very positive experience, and that the racing in the South West is great! He left a copy of this picture of himself in his Datsun 510 at Firebird International Raceway.
