

A Last Minute Reminder

From Ed Kemper: The June 14, 1998 autocross is the Aloha State Games. You may participate even though you did not pre-register.

Even though you might not have filled out and sent your Aloha State Games application in for the June 14th autocross, you can still race. Simply come on that Sunday and fill out an application and pay \$30 instead of \$20 and you can compete for an Aloha State metal in your class. Unfortunately, you will not receive the t-shirt.

The racing will be the same. The trophies for the State Games are different because only first, second and third places are awarded and even if only one car is in the class a metal will be given. All metals will be presented at the end of the day in a special ceremony. As an additional highlight, a special photo will be taken of all the winners and their vehicles with a 360 degree camera. The drivers and cars will be placed in a circle and photographed. The pictures will be available for purchase. SCCA hopes to also have TV and newspaper coverage of the race.
