

Review-

ALOHA! On behalf of the Board of Directors 1982, greetings and happy motoring to all of our members and other participants. We are looking forward to a good season of racing events here in Hawaii, with a solid Solo II program and hopefully later in the year the Solo I program will be back in action.

The Solo II program for '82 was originally 10 events, but due to the heavy rain in January and March those events were cancelled. The February event was once again close to being rained out, but fortunately it cleared up in the afternoon and it turned out to be a fairly good event. The 1982 Solo II Championship Series will consist of 8 regular events, with the five best events being counted toward the Championship Series. The Championship run-off will be in November, possible site being Hawaii Raceway Park.

There is the possibility of running the proposed Street Prepared class in the future events, pending on the decision of the Board of Directors. We will be advising the general membership of this subject, with the possibility of discussing it at the April G.M. meeting. Please read up about this subject in the February issue of SPORTCAR magazine.

Until next time, drive safely!

DOWN THE ROAD

A Solo II Driving School is being planned for after June. Watch for details.

THANKS

Our thanks go out to Bob Vincent for masterminding the swap meet/fund raiser. Thanks also to those that helped out to raise \$\$\$ for this noble cause.

GIVE AWAY

A new and (hopefully) regular feature at Solo II events will be all sorts of goodies given away to high placing types. Stuff to be given away at the April event includes Bosch sparkplugs, Castrol Oil, and real trick license plate frames. Be there (and be fast) and get your share.

NO NEWS

Still nothing to report on Solo I but keep hoping. Still looking for alternate sites for the events (Solo I & II). Leeward Community College has been contacted but nothing firm yet.
