Championship Drive rs

Listed below are the drivers who have raced in 7 or more events for the season. To compete in the runoff in the March event a driver must pay 15 dollars and be ready to race at 1 Pm at the March event. Each driver will have the opportunity to drive the normal 4 runs any time during the day. (Obviously it is better for the driver to complete the 4 runs before the runoff.)

Special trophies and Prizes will be awarded to the winners at the April event.
