

FROM THE RE'S DESK

This past Friday I received a call from the people Sponsoring the Autorama which was held at the Blaisdell Center this past weekend. They had a last minute cancellation and offered the SCCA a booth. The location between the Go-Kart and motorcycle racers was perfect. This turned out to be an excellent opportunity to meet new people and talk to them about our racing program. I'd like to encourage everyone in the club to welcome these newcomers as they attend our future events.

Bill Lindsay, our chief tech inspector, will be moving to the mainland this spring. Bill has not only contributed his time to our club, but is also one of our best drivers. I know we'll all miss seeing that black Renault come through the final turn on three wheels. Thanks for all your help Bill, we'll miss you.

I'd also like to add a special thanks to one of our newer members, **Doug Kubota**. Doug has taken over the job of recording the solo results and has developed a new program which makes the job quicker and more efficient. Without Doug's help there wouldn't have been a newsletter last month. Thanks again Doug!

RACING UPDATE

We have firm dates for our first wheel to wheel events at Hawaii Raceway Park. Our first Drivers School will be May 30th and the second August 2nd. The first event will be non-spectator. If you do come out to see the action, we'll ask you to help as a worker. Anyone interested in working these events should call **M.G. Lewis** at 672-8255. We will train you.

The time is running short and it's time for our drivers to get serious about car preparation.

BEST NOVICE FOR THE MONTH OF FEBRUARY

Congratulations to **KENNETH TOM** in his F Stock Ford Mustang for being the closest to first place finish and the fastest novice. We would also like to welcome him to SCCA Solo II racing.
