SCCA HAWAII REGION NEWSLETTER

March 1993

From the RE's Desk

You'll be seeing some changes at the Solo events with the start of the new season in April. Our Solo program has faced some heavy expenses in the last few months, and because of this we will be making every effort at the gate to collect the proper fees from **everyone** at every event. Larry Anderson, our Solo II Events Chairman, will continue to try new ideas to keep our program fresh and exciting. If you have any thoughts on improving the Solo program, call Larry. Thanks to everyone who helped in repairing the club van. It's hard to believe it's the same vehicle.

I'd like to thank all of the workers and drivers for making our January race and school so successful. It's important to note that this event was staffed almost exclusively with local workers and officials. Our region can operate safe and successful races, and everyone should be proud of a job well done. Thanks again and see you all in March.

Racing Update

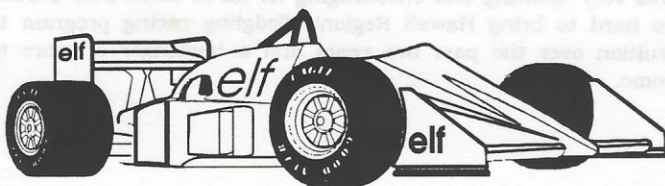

Our next regional wheel to wheel race is scheduled for **Saturday March 20** at Hawaii Raceway Park. Action starts at 8:00 a.m. The last regional in January featured some of the best racing we have seen, and March should be even better. We are expecting a field of over twenty cars running in three race groups. This will be a nonspectator event, so, if you want to see the action you will have to help us as a worker. Please join us at the track. We need the support of all of our members if the program is to progress.

Sponsors Needed

We are looking for sponsors for our 1993 season. For \$250 your business can have an ad every month in our 1993 newsletter, and you will be featured as the sponsor for one of our racing events. Here is your chance to reach our SCCA members and show your
