

## Suspension & Brake Service

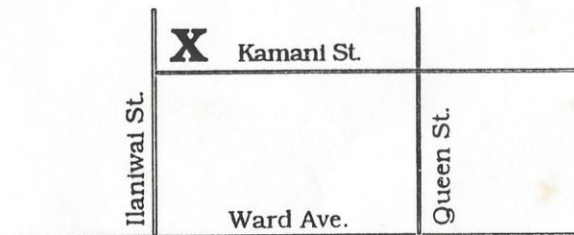

**GET THE EDGE...  
PRO-TUNE YOUR ALIGNMENT**

Specializing in corrective and collision damaged wheel alignments, we have the latest in computer alignment and frame correction equipment. No matter what you drive, from everyday vehicles to lowriders and 4x4's, let us pro-tune your vehicle's alignment. Aftermarket alignment kits are also available for all your custom needs. We also offer expert brake repair, tire service, and mechanical maintenance.

***Get it done right...the first time!***

Discounts available for SCCA members.

Call Ken at Suspension & Brake Service, located inside Island Fender Shop.
