

## REview

## DRIVER'S SCHOOL

Between the months of late March through mid-May, I was absent from the region due to my extended business trip to the orient. My sincere Mahalo and thanks goes to Stephen Ma, Ed Kemper, Bob Vincent, and the rest of the region for doing such a good job.

Since January through May, we held five events out at the TH-3 but two were rained out. With the April and May events, we're starting to gather some interest and were averaging 40 plus cars. So, we can expect the number to grow throughout the summer with a little help from the Auto Showcase write-up and the consistency of the locality.

On June 13th, there will be a Solo II Driving school at TH-3. As in the past, we can only handle the first 40 to 50 cars. So if you're interested, please call Ed Kemper or anyone at Manoa Teletronic/Manoa Teletronic Racing Ent. (988-7888) to pre register. In July, we're planning a Solo I event out at Hawaii Raceway Park with a slightly different track layout. For those who are interested please call Ed Bell(942-2128) or myself(988-7888).

In the meantime, Happy Motor-ing.

PETER D. CHUNG

## . ALTERNATIVES

Leeward Community College has turned down a request for us to use their parking lot for Solo events. The search continues. If you know of any large piece of seldom used pavement that might be available please let the R.E. know.
