* Denoted 2 seconds penalty added for hitting a pylon or miss a gate
(FTD) - Fastest time of the day

REview

The board of directors has decided to run 10 events for the 1983-1984 championship series. In order to qualify for a championship trophy the driver must compete in the same and class in at least 7 events. Points are awarded in each event, with 10 points for first, nine points for second, etc. In March the championship event will be held. The 1983 Board of Directors will assist the 1984 Board in operating the event.

The Board has decided to have a driver's school at the Stadium on August 28. More information will be provided about this event in the future.

All of the Solo I drivers or potential Solo I drivers should contact me about there interest in the event before June 15. I will hold a Solo I drivers meeting at the end of June.

PETER CHUNG
