## BEST NOVICE

Congratulations to TED SAYLE in D Street Prepared. He finished closest to first in class of last month's novices. We would also like to welcome Jeff Gramlich and Daniel Lee to SCCA Solo II Racing.

## NEW FURNITURE

We are very happy to announce that we have two new volunteer chairpersons to help with all the work required to make our events run smoothly. They are Bill Lindsay, Solo II Tech Chair and Art Magallenes, Protest Chair. They are taking over these tasks from Larry Anderson who has found a new specialty. In addition to being our Membership Chair he has taken on the position of Worker Coordinator which along with everyone's cooperation, is the biggest reason that our events are moving so much better between heats. Many thanks to these and all of our Officers and Chairpersons and to all of our members for supporting them in their efforts to improve racing in Hawaii.

Larry Anderson wishes to thank all for the help we have received with worker coordination. The present system, run heat #1, work heat #2 etc., is by far and away the best system devised to date. We recognize it may not be possible for some members to work their assigned heat, but prefer this be the exception, rather than the rule. If you cannot, for a very good reason work your assigned heat, please let Larry know as soon as possible and he will make adjustments. Prompt worker assignment and smooth transition from one heat to the next will result in more fun run time!

Special thanks to Pete Fagan and Paul Schwartz, the only two people who volunteered to help with fun runs. If you ran fun runs and had fun doing it, consider bringing these men a six pack of Heine.

## NOT REALLY CLASSIFIED ADS

### FOR SALE

Helmet Suitable for Solo Racing, excellent condition \$30.00  
 20 years worth of "SPORTS CAR" the monthly magazine of the SCCA, also the last years issues of "AUTOMOBILE", Motor Trend" and "Road & Track" contact Jimmy Valentine at 395-3498.

### MISSING

One of the club's Realistic Walkie Talkies turned up missing after last month's Solo II. If you happened to have picked it up please bring it to our next event. Its not worth a lot of money but we really need it to run the events.

### MISSING

Also missing from last month's event is a 12 volt portable air pump that plugs into a car cigarette lighter. This belongs to Larry Anderson and he would very much like to get it back. You can contact him at 521-9077 or bring to the track and return it, no questions asked.
