SCCA HAWAII REGION NEWSLETTER

May 1994

From the RE's Desk

Another Long Beach Grand Prix is history and Hawaii Region was well represented. Our group included Lindsey Akamu, Joyce Hsieh, and Peter Wilmoth as flaggers; Paul Schwartz, Steven Lee, Warren Ishii, and Scott Waracka as firemen; and myself as a steward. Cal Club showed lots of aloha spirit in making all of us feel welcome and appreciated. Lindsey was even voted the most outstanding worker on the busiest corner of the track. It was a weekend of great racing, and a chance to work with some really nice people. We all look forward to next year.

While on the mainland, I was also fortunate enough to serve as a steward at the first SCCA

regional to be held under the lights on a high speed banked oval. Mesa Marin was the last in a series of three oval races, and a field of about 80 cars put on a fantastic show. SCCA has many excellent drivers in top quality cars, and it is time we bring that to the attention of a wider audience. Oval racing can do that. I think it is very exciting to see SCCA expand its horizons, and I congratulate Fred Slick of Cal Club for making this series happen.

M.G. Lewis
Regional Executive
Hawaii Region, SCCA

Racing Update

Our next wheel to wheel race will be June 5 at Hawaii Raceway Park. The first spectator race for our region will be held in August, and this will be our last opportunity for both drivers and workers to polish their skills. More on this in the next newsletter, but as always we need workers. If you can help please call M.G. Lewis, 672-8255, or Lindsey Akamu, 595-3595. See you there!

Solo I

We are still looking for more drivers interested in Solo I. There will be a Solo I and a Solo I school in August if we have enough drivers. Contact Lindsey Akamu, 595-3595.

Solo Driving School

Hawaii Region will be conducting two Solo driving schools in the near future. The first will be on May 29. These schools are the most important tool we have to help our Solo program grow and prosper. Here is your chance to help the Solo program, and have fun doing it. We need instructors and general helpers, so please call M.G. Lewis, 672-8255, if you are available. The Solo course will be open at the end of the day for everyone who worked.

1994 Wheel To Wheel Racing Schedule

March 20	Regional Race
June 5	Regional Race
August 28	Regional Race
August 27	Regional Race
October 30	Regional Race
