

# Solo II Talk

By: Jennifer Lee

A quite 'different' track was set-up for the April Solo II event. If you did not walk the course first, you would probably get lost. This was one track where you could say, "It looked like a sea of orange cones". A new design element was a cross-over in the middle of the track, which had you doing a loop. Although the time range for the track was 70-80 seconds, Paul Schwartz turned a 69.948 to take fastest time of the day.

There was a large Porsche turn out this month. Since there were so many Porsches, (about 9), we decided to combine heats 3 and 4 in a special fashion. All of the cars in the 3rd and 4th heats ran in heat 3, except for the Porsches. The Porsches got to race all by themselves in heat 4. Thanks for showing up for the race guys, come back soon! John Pinero brought out his Pontiac Firebird to experiment, and the conclusion was 13th place overall! Also racing a different car was Amy Lee. Since her car was in the shop, she autocrossed her daughter's 24OZ instead.

Just as a reminder, next month's autocross, (May 18th), will be on the 3rd Sunday, not the 2nd. This is so that we do not interfere with Mother's Day. Another up coming event is the Aloha State Games held on the 3rd Sunday of June, (June 15th). The regular race event will also be held on June 15th in conjunction with the Aloha State Games. To race in the Aloha State games you must preregister. The registration fee is \$20 and will include an Aloha State Games T-shirt. If you finish 1st, 2nd, or 3rd in your class, you will be awarded Gold, Silver, or Bronze metals, respectively. So, don't forget your extra money, or pre-register for the games. I'll see you at the races!
