

Solo II Talk

By: Jennifer Lee

Mr. Breeze decided to give Ewa Beach a little visit and reek havoc among racers and workers. Because of him we were unable to erect the tent at the registration booth and the timing lights were blown over by sudden gusts of wind. Madame Drizzle stopped by from time to time making the track just a tad damp. Speaking of the track, it consisted of many 180 degree turns, slaloms and lane changes. You could try and power your way through the turns, but all the turns were different in degrees and radius', which made you think twice about your decisions. A modified traditional ess ending completed the track.

We would like to thank **Charles Huang** for representing his **Lamborghini Club** in the April event. Charles is an experienced racer returning from

years of absence. 6 novices came out this month. They were **Jennifer Lee, Ken Loui, Shane Oliberos, Jonathan Pasoquen, Daimon Steiner and Greg Steiner**. Taking fastest time of the day was **Curtis Lee** with a time of 65.221. After 15 years of watching, yours truly has just begun joining in the fun. It's great to be a part of the action behind the wheel after all these years.

The military graciously cleared the track of all the underbrush. Thank you! As a reminder, next month's autocross will be held on the 3rd Sunday of May so that it does not interfere with Mother's Day. Be on the look out for future SCCA T-shirt sales with our Hawaii Region logo on the back and personalization on the front. One more thing, the Aloha State Games will be held on June's race day (June 14). It will be the only race going on that day, and will count as a regular race towards your point standing. Pre-registration deadline is Monday, May 25. Mail your pre-registration entry form to Aloha State Games along with your \$20 registration fee. Late registration at the site will be \$30 and you will not receive an official Aloha State Games T-shirt. You can pick up an Aloha State Games Official Registration Handbook at any 7-11 store. Hope you all had a good Easter and I'll see you at the races!

Autocross In June Will Be Part of 1998 Aloha State Games

A Note From: Ed Kemper

The Hawaii Region Sports Car Club of America in conjunction with the Aloha State Games will be sponsoring Autocross for the 1998 Aloha State Games for the June 14, 1998, event at Barbers Point.

For those who are not familiar with the State Games, there are approximately 50 sporting events that are sponsored by the Aloha Charities in June of each year, with special awards given to the winners of all the games. One lucky participant will win a round trip to New York City for the Goodwill Games.

The Autocross event will be held on Sunday, June 14, 1998, at Barbers Point Naval Air Station. All applicable SCCA safety rules, classifications, and inspections will be applied.

There are, however, a couple of major differences. First, drivers should pre-register for the event, and the cost is \$20.00. Every driver will receive an Aloha State Games T-shirt. If you do not pre-register, the cost will be \$30.00 and you will not receive a T-shirt. Also, ribbons will be given to the top three place finishers in each class, at the end of the day (about 4:00 p.m.) Packet and T-shirt pick-up will be at various Nissan dealers from June 9-12, 1998. (See application for details.) There will be entertainment and the parade of athletes, including the Autocross athletes, on Friday, June 12, 1998, at 6:30 p.m., at the Aloha Tower Marketplace.

Applications are available at 7-11s throughout the State. The registration deadline is MAY 25, 1998.
