

SOLO I

The next Solo I is scheduled for 20 January. This is dependent upon 15 drivers prepaid in order to not bankrupt our treasury. If you plan to participate, please mail a check for #65 (made out to SCCA) to: Roger Au
1939 Puu Nanea Place
Honolulu, Hawaii 96822

Your check will be returned to you if the event doesn't materialize. As in previous events, drivers need to bring a course worker. Tech inspections can be arranged thru Dexter Lum at 545-1658.

MISCELLANEOUS

Solo II registration closes at 1:00PM sharp. Tech inspection will close at 1:30 sharp. This will allow the registrar time to race too.

Our standing policy of a 2 second penalty for racing after your assigned heat will continue to be enforced.

DIVISIONAL RACE

The next divisional race will be held on 5 May. Note that this is the first Sunday of May to allow racers to spend Mother's Day with family.

DRIVERS' SCHOOL

A drivers' school is scheduled for Sunday 18 November. The full-day school, with chalkboard session, driving exercises and an autocross is intended for NOVICE drivers. A limited number of slots are still open. For registration information, call EUROSPORT at 545-1658. EUROSPORT is the SCCA-Hawaii Region's new sponsor. Of course, additional workers and instructors are always welcome (call Roger Au at 988-5564 for info).

WORK DAY

We're planning a work day on Sunday 2 December. We'll be improving the corner workers' stations and also clearing some of the weeds that have grown on the course. As usual, we'll have an impromptu autocross set up after the work is done. Bring your garden tools and gloves.

A NOTE ON PROTESTS FROM THE PROTEST COMMITTEE CHAIR

While the right to protest is undisputable, it should be remembered that SOLO II events are amateur sporting events conducted in a sporting spirit. To that extent, inspection of the organizers and fellow competitors are a reasonable part of the chances one takes in entering the competition. Your Protest Committee encourages all competitors to familiarize themselves with the rules and to properly classify their cars so as to avoid protests, which by their very nature violate the sporting spirit of the competition. In instances where competitors willfully violate the spirit of the competition by violating rules, your Protest Committee stands ready to serve.
