

The last SOLO I was postponed. Not enough drivers. December 2 is the next SOLO I. Call Peter Chung or Ed Kemper for more info.

We are in the planning stages for SOLO I and SOLO II in the streets of Waikiki. Hopefully, some time next year. More later.

The new SOLO II rules for 1985 are presently being reviewed by National SCCA. Look for a D street prepared class, and a substantial shifting of cars in the prepared classes.

The price will move you, too.

If the 1984 Scirocco's 1.8-liter high-performance engine, close-ratio 5-speed gearbox, and sport-tuned chassis aren't enough to move you, take a close look at the sticker price.

The 1984 Scirocco \$10,870.

It's not a car. It's a Volkswagen.

The most fun you can have for \$8,350

Fun is a Volkswagen GTI 1.8L high-performance engine with a 5-speed close-ratio gearbox, riding on a super sports suspension system. It's also fun to get such priceless German engineering... for such a priceless price.

The 1984 GTI \$8,350.

It's not a car. It's a Volkswagen.
