Aloha, Fellow Members and Non-Members

I have been away from the Region's activities because I got married. But thanks to Gerard Simons & Steve Collins the past few events came off without a hitch. Anyway, it seems that Solo II program in Hawaii is in a very good position. It seems likely that we will be continuing on the program as we have it now, but we are open to any suggestions concerning the event.

Solo I will be staged on December 2. All of those interested please contact me or Ed Kemper at 524-0330. Please pay in advance, so that we will have a head count prior to the deadline date of November 20.

The SCCA Hawaii Region election is in November. The following positions will be open for nomination.

Regional Executive	Solo II Chairman
Asst. R.E.	Chief Timer
Treasurer	Chief Registor
Secretary	
Three Members at Large	

If the membership finds me acceptable, I'm willing to continue as your RE for 1985. Anyway, please vote and also forward any suggestions.

Buckle up and drive safely.

Peter Chung

#### WHAT'S HAPPENING

Yes, there will be a Driver's School on October 28 at the Stadium parking. Registration starts at 9:30. Each driver will have ground school lecture. After the lecture, 3 or 4 different special instructions will be given by experienced drivers. Later, each driver will be given runs through a course, a few of them will be with an experienced driver. The cost is \$12.50.

The championship series is coming to an end. Next month the current standings will be published. Any driver who wishes to compete in the championship series must have competed in at least five events by Feb 1985, and have finished in the top five in his class. Special prizes will be given to the winner of the run off.

Plans are shaping up for the Turtle Bay Raliy and Concours d'Elegance. The tentative date is April 27-28, 1985. We expect a lot of club participation. There will be special trophies for the car clubs with the greatest number of participants. More later.
