

SOLO I NEWS

Eleven drivers and a welcome abundance of workers participated in the 23 September SOLO I. It was run on a newly approved course that was very easy to set-up and work and apparently a real blast to drive. Although started a little late everyone got plenty of tracktime. Especially the volunteer workers that did such a fine job and turned out in such numbers that they were able to take breaks and not have to work through the whole event. A reminder to the workers to keep your logbooks current as big time racing is just over the horizon.

Missing from the lineup were TEAM MAGALLANES, the Porsche contingent RON MISHIMA & ED HIGA, PETER "Cruising the Love Boat" WILMONT, and ED "Pain in the rear (literally)" KEMPER. We hope that any troubles you may be having will soon be fixed and that you'll be at the next SOLO I on 20 January.

The January event will be held as long as we get at least 15 drivers pre-registered. This is a fiscal requirement to ensure that we don't bankrupt our treasury trying to support the SOLO I program. Get your \$65.00 registration checks to:

ROGER AU  
1939 PUU NANEA PLACE  
HONOLULU, HAWAII 96822

made payable to SCCA by 1 January. The checks will not be deposited until the race and will be returned if we are unable to hold the event.
