

## BEST NOVICE FOR THE MONTH OF AUGUST

Congratulations to **JOHN WADE** in his C Street Prepared Nissan 240SX for having the closest to first place finish and the fastest time of all of the novices. We would also like to welcome him along with **Rick Kewley, Joseph Blunt, Don Lindsey, Mark Dunker, and Joyce Hsieh** to SCCA Solo II racing.

## WELCOME ABOARD

**DOUG KUBOTA** is our newest SCCA member, let's all welcome him and help him to enjoy racing with us. Also a big thanks to our latest renewals: **Ron Greaves, and Jimmy Lum.**

## SKIP BARBER / HRRR RACE SERIES

The weekend before last these two groups put on yet another great race event at Hawaii Raceway Park. Although there were some problems with a few of the cars, the many heats were run very smoothly and professionally, thanks in part to the several SCCA workers manning the corner stations, the timing booth and communication and control stations. This race series provides us with the perfect opportunity to develop a group of licensed workers necessary to get an SCCA wheel to wheel program going. All parties interested in obtaining a national license in any of the race worker specialties are encouraged to contact **MG Lewis** at the track or at 672-8255 to get signed up.

## MAHALOS FROM THE WORK COORDINATOR

Special Thanks to **M. G. Lewis** for designing the new course used last month that proved to be challenging for both slow and fast cars. We will see that course again for sure. **Allen Chew** and novice **Hans King** did an excellent job of handling the announcing and race control for one of the later heats. Welcome aboard gentlemen. Thanks for the nice job.
