SCCA HAWAII REGION NEWSLETTER

October 1993

From the RE's Desk

I'm sad to report that two of our members are in the hospital, **Art Sonen** and **Pete Wimberly**.

Art Sonen suffered a stroke about three weeks ago and is recovering at the Rehabilitation Hospital of the Pacific. Art is one of our most competitive drivers and is the first to earn a national competition license through our racing program.

Pete Wimberly is recovering in Queens Medical Center. Pete is our Deputy Executive Steward and is probably our oldest active member. He has been involved in racing in Hawaii since its earliest days.

Both of these members have contributed a lot to our region, and I know the membership will let then know we are thinking about them.

On November 21st the SCCA will conduct a **Solo Drivers School** with the BMW club. Here's a chance for all our Solo people to help the sport

grow. I need workers and instructors to make this school a success. We will be setting up a Solo course in the afternoon. All SCCA volunteers will be able to run until they are tired, break their car, or wear out their tires. What a great way to spend the day!

I'm happy to report that Hawaii International Racing School will continue to work with the SCCA in our wheel to wheel racing program. This cooperation benefits everyone, and I want to take this opportunity to thank the school for their participation in SCCA. Racing will grow if we all work together.

Racing Update

Our next regional race is scheduled for October 31st at Hawaii Raceway Park. We are expecting some very exciting competition, but as always we need volunteers to help us staff the track. Come out and see what your club is doing. Everyone is welcome and we buy lunch for all workers. Don't miss a great day of racing in Hawaii. If you plan to come or just want more information please call M.G. Lewis at 672-8255.

Marc Kirberg, a member of the Hawaii Region, won his class at the Pacific Coast Runoff. Congratulations Marc!

National Board of Directors Election

The letter on the next page was submitted to me for publication in our newsletter. I can only add my personal endorsement of **Marg Binks** for area Director. We need a representative on the Board of Directors who is accessible and responsive to the needs of our region. Marg has always been there for Hawaii and she deserves your support. **Please take the time to vote.**

The SCCA Hawaii Region would like to welcome **Owen Duke**, **Kesha Lee**, **Manabu Mizota**, **Ralph Swan**, and **Masami Wakabayashi** to SCCA Solo II racing.

Congratulations to **Owen Duke** for being the fastest novice with his Porsche 911 in A Stock.
